

# Memories by Midnight Event Planning

## Creating Magical Moments & Unforgettable Occasions!

From the moment that you enter an event venue, every one of your senses should come alive. The elegant shadows cast on the wall by the flickering candlelight, the soft tinkling piano keys in the background, the delicate fragrance of freesia and lilies emanating from the centerpieces, even the tickle of the champagne bubbles on the back of your throat. Every detail of an event mingles together to create a phenomenal experience that touches the senses.

Whatever your imagination can dream up, **Memories by Midnight** will bring to reality. No need to worry about the details - that's our job. Your only job is to imagine.

Every event deserves to be unforgettable. Which is why we are a full service company with creative and attentive staff that are with you every step of the way to make your event come alive. Because sometimes you aren't quite sure exactly what you're looking for, **Memories by Midnight** will walk you through the planning stages of your event, taking care of every little detail for you and making it a lot less intimidating in the process. From conception to execution, **Memories by Midnight** will take care of everything allowing you the luxury to enjoy and savour every magical memory.
